

GUIDELINES FOR PLAYGROUND EQUIPMENT

DO YOUR PART WHILE ENJOYING OUR PARKS.

To reduce the potential for COVID-19 transmission, please follow ALL of the posted guidelines in all parks and recreations spaces. **If guidelines are not adhered to, locations may be subject to closure.**

- Playgrounds are high-touch point structures. **These play areas are not disinfected or cleaned after use.** Carry and use your own hand sanitizer before and after using playground equipment.
- If the playground is busy, try another park or come back later.
- Keep your distance (2 metres apart) and limit congregating in groups when supervising children.
- Encourage children to avoid sharing toys or sports equipment and limit contact with people outside of their home or pandemic bubble.
- If bringing your children's toys or sports equipment to the park, clean and disinfect before and after use.
