

Register to a Drop-in

Here's what your clients can expect when registering to a drop-in:

- In the Amilia store choose the program and the activity you want to register.
- Select the **Drop-in** button to register for **specific classes** taking place within the activity's schedule.
- A calendar view of the drop-in classes appears. Available classes are in blue.
- Click on the date you want and choose participant(s) to register by clicking on the **+** next to their name.
- Continue shopping to select additional dates or proceed to checkout.
- **NOTE:** If a drop-in is [purchased with a MultiPass](#), it deducts one use from the pass.

Cancel a Drop-in

Only administrators can cancel a drop-in registration, with the exception of a drop-in that allows clients with a MultiPass to cancel. Canceling a drop-in is similar to canceling any purchase via the **Client Billing** subtab in the client's account.

How clients cancel a drop-in reserved with a MultiPass

If the client registered to a drop-in using a MultiPass and the drop-in is configured to allow clients with a MultiPass to cancel, participants may cancel the class by returning to the Amilia store.

Via their user account:

- Click on the **Purchases** tab and select the applicable organization.
- Under the participant's name, scroll to the **Drop-ins** section and click on the name of the drop-in class to cancel.
