Let it Snow – and Let it be Cleared

We need your help to do this. Please, do not leave vehicles parked on snow covered streets; keep all alleys and laneways clear. Vehicles appearing abandoned or left long enough on any street to pose a hazard for ploughs or the public will be removed at the owner's expense. It is unlawful to deposit snow and ice from private property back onto the street, creating a potential safety hazard.

Special Note on Garbage and Recycling Bins – please bring your garbage and recycling bins in from the curb as soon as possible after they are serviced so we may get on with snow removal.

It is our responsibility to ensure clear public roadways, but is your responsibility to keep your properties clear otherwise. Boulevards may be used for snow storage, so long as walkways are not obstructed. Commercial properties are responsible for this as well. The Town of Golden does have a snow removal policy available on our website. Please check it out!
